NORTHWOOD LOCAL SCHOOL DISTRICT
TREASURER CANDIDATE RECRUITMENT

THE OPPORTUNITY

The Northwood Local Schools Board of Education invites applications for School Treasurer. The district seeks a knowledgeable, ethical, and collaborative financial leader who will provide sound fiscal management, dependable reporting, and thoughtful guidance in support of students and district priorities.

QUALIFICATIONS AND EVIDENCE OF ACCOMPLISHMENT

Candidates must possess, or be eligible to obtain before employment, a valid Ohio school treasurer license. The Board seeks evidence of accomplishment in these areas:

- Thorough knowledge of Ohio school finance, accounting, budgeting, forecasting and applicable laws and reporting requirements.
- Successful financial leadership, including long-range planning, resource allocation and responsible stewardship of public funds.
- Accurate, timely financial reporting; effective internal controls; and consistent attention to compliance and deadlines.
- Clear communication of complex financial matters to the Board, superintendent, employees and community.
- Productive working relationships, sound professional judgment and collaborative leadership.
- Oversight of payroll, benefits, purchasing, investments, audits and business-office operations.

COMPENSATION AND CONTRACT

The Northwood Board of Education will offer the successful candidate a competitive compensation package and multi-year 260-day contract. The actual salary and fringe benefits will be commensurate with the education and experience of the candidate.

Northwood Local Schools is an equal opportunity employer.

APPLICATION PROCESS

Qualified individuals are encouraged to apply. Applicants should submit a completed application, letter of interest, current résumé, 3 professional references, Ohio treasurer license or eligibility documentation, and any additional supporting information to:

THE DISTRICT

Located in the greater Toledo area, Northwood Local Schools serves its community from a modern PK–12 campus. The district focuses on Student Performance, Student Growth and Student Well-Being. Northwood Local Schools have been fiscally strong for over a decade. The last need for a fiscal operating levy was in 2008. In 2014 the community supported a building project that resulted in the opening of the current PK–12 facility in the fall of 2017.
